## *“Funding mesothelioma research: a forum for fundraisers and individuals affected by mesothelioma”*

The June Hancock Mesothelioma Research Fund is delighted to invite you to this **FREE** event, dedicated to raising the awareness of Action Mesothelioma Day.

The event will provide the opportunity for patients, their families and anyone interested in mesothelioma to hear short presentations from the speakers below and from expert charity fund raisers. This will be followed by a workshop style session to discuss research funding and share fundraising ideas.
